

Figure 1 - [www.wodbucket.com/home](http://www.wodbucket.com/home)

The wireframe shows a tablet interface for the WOD Bucket login page. At the top, the title "WOD Bucket" is centered in a large, bold, black font. Below the title is a decorative horizontal bar composed of several black rectangular segments of varying lengths. The main content area is a light gray grid. It contains two labels, "Username" and "Password", each in a rounded rectangular box. To the right of each label is a corresponding text input field. Below the "Password" input field is a "Register" button with red text and a black border. At the bottom center of the grid is a large "Login" button with a black border and rounded corners. The entire interface is framed by a gray border representing the tablet's bezel, with a small circular home button at the bottom center.

Figure 2 - [www.wodbucket.com/login](http://www.wodbucket.com/login)

The image shows a wireframe of a registration form for 'WOD Bucket' on a tablet. The form is set against a light gray grid background. At the top, the title 'WOD Bucket' is centered in a large, bold, black font. Below the title is a decorative horizontal line composed of several black rectangular segments of varying lengths. The form contains four input fields, each with a label in a rounded rectangle to its left: 'Username', 'Email', 'Password', and 'Verify Pw'. Each input field is a simple rectangular box with a small vertical line at the top left corner. To the right of the 'Verify Pw' field is a 'SUBMIT' button, which is a black rectangle with white text. The entire form is enclosed in a gray border that mimics a tablet screen, with a small notch at the top and a circular home button at the bottom.
